Thank you for your inquiry regarding service for your Medivators Endoscope Reprocessor. As discussed, we will be pleased to provide a replacement Medivators CER Endoscope Reprocessor for your use while your equipment is being serviced, The cost of the loaner is \$475 and loaner reprocessors will not be sent without your signed authorization. The cost of return freight, including packaging and handling, is estimated to be:

Option 1 \$278.00 (FX1 - Priority Overnight Shipping)

Option 2 \$216.00 (FX2 - 2 Day Shipping)

In order to initiate shipment of this loaner reprocessor, please check your preferred freight method and fax approval of this estimate, including a Purchase Order to Medivators Technical Service at (763) 553-2493 (Note: if your facility does not issue purchase orders – please use today’s date and your initials as the purchase order). Questions or comments should be directed to Medivators Customer Support at (800) 444-4729, pre-select option 2..

Following receipt of your reprocessor, we will conduct a full functional test and estimate the cost involved in bringing your unit up to current performance specifications. At that time, a Service Estimate will be faxed to you for review and approval.

Please Note: Medivators reserves the right to charge you an additional \$600.00 per month if the loaner is not returned within 10 business days following receipt of your repaired Medivators endoscope reprocessor.
